PRACTICE POLICIES CONSENT

Thank you for selecting us as your personal periodontal care team. To promote a long-term mutually satisfying relationship, we would like to explain our office policy regarding treatment, insurance, appointments, and fees. PLEASE, read this carefully and ask any questions or bring up any concerns you may have BEFORE treatment is rendered.

SUBMISSION TO TREATMENT IMPLIES YOUR CONSENT TO TERMS OF THIS AGREEMENT.

TREATMENT: You will find our entire staff dedicated to helping you improve your dental health as quickly as possible. Every effort will be made to make your appointment as comfortable and pleasant as possible. Please feel free to discuss your treatment with the doctor at any time.

INSURANCE: If this office is able to accept your insurance company's assignment, the patient is still FULLY RESPONSIBLE for the charges for treatment rendered. Your insurance MAY NOT COVER the services or may only PARTIALLY cover them and any ESTIMATE given by this office is considered a GUIDELINE until the final insurance is received and the patient's account is reconciled. The office can make NO GUARANTEE of the actual payment by your insurance company.

MISSED APPOINTMENTS: When we schedule your appointment, the time is reserved exclusively for you. When you fail to notify us of your inability to keep an appointment, another patient in need of dentistry is unable to receive treatment. We request that you give us at least 24 hours notice when you realize that you cannot keep an appointment. When the requested notice is not given, a fee of \$25.00 per half hour scheduled will be charged. For those whose schedules make it difficult to effectively plan ahead, we ask that you do not schedule an appointment in advanced, but that you call us the day you can come in and we will be happy to see you then provided the time is available.

This Act gives you, the patient, significant new rights to understand and control how your health information is used. "HIPAA" provides penalties for covered entities that misuse personal health information.

As required by "HIPAA", we have prepared this explanation of how we are required to maintain the privacy of your health information and how we may use and disclose your health information.

You have the following rights with respect to your protected health information, which you can exercise by presenting a written request to the Privacy Officer:

- The right to request restrictions on certain uses and disclosures of protected health information, including those related to disclosures to family members, other relatives, close personal friends, or any other person identified by you.
